## ATTENDANCE

Edgeworth Public School believes that students who are most successful academically and socially are those who attend school on a daily basis. Regular and punctual attendance maximises the opportunities for students to learn and succeed.

Whilst we recognise that there are reasons for student absence from school, the goal for 'good' attendance is 90% or above meaning no more than 8 school absences each year.

If your child is absent from school, you are able to notify the school as to the reason for their absence through the SMS messaging service, phoning the school, or supplying a written letter. We ask that you do not email the school or use DoJo to explain absences.

## **CLASS COMPOSITION**

This year, Stage 1 has four Year 1 classes and four Year 2 classes. Teachers follow a stage based curriculum and students will be given many opportunities throughout the year to interact with many of their peers across their stage.

## **KEY LEARNING AREAS**

Students will engage in different Key Learning Areas over the duration of the year. Classes will be participating in Integrated Units where they can explore, create and collaborate with their peers and showcase their talents across Science and Technology, History & Geography, Creative & Practical Arts and Personal Development and Health. Mathematics and English will take an explicit focus across the school. Students will have opportunities to take part in hands-on games and engaging activities differentiated for their learning.

## **ASSEMBLIES**

Stage 1 will have a brief weekly assembly on each Friday after recess to hand out Spotlight Awards.

## **STUDENT EQUIPMENT**

The student Book Pack provides all necessary equipment for student's learning including stationery, books, individual whiteboards and a subscription to an educational platform. **A payment of \$50** is requested to assist in funding these essential resources. Part payments and Back To School Vouchers will be accepted. Should there be any issue please contact the office. Students also need to bring in a pair of plug in headphones to leave in their classrooms; these will be useful for literacy and computer activities.

## **LIBRARY**

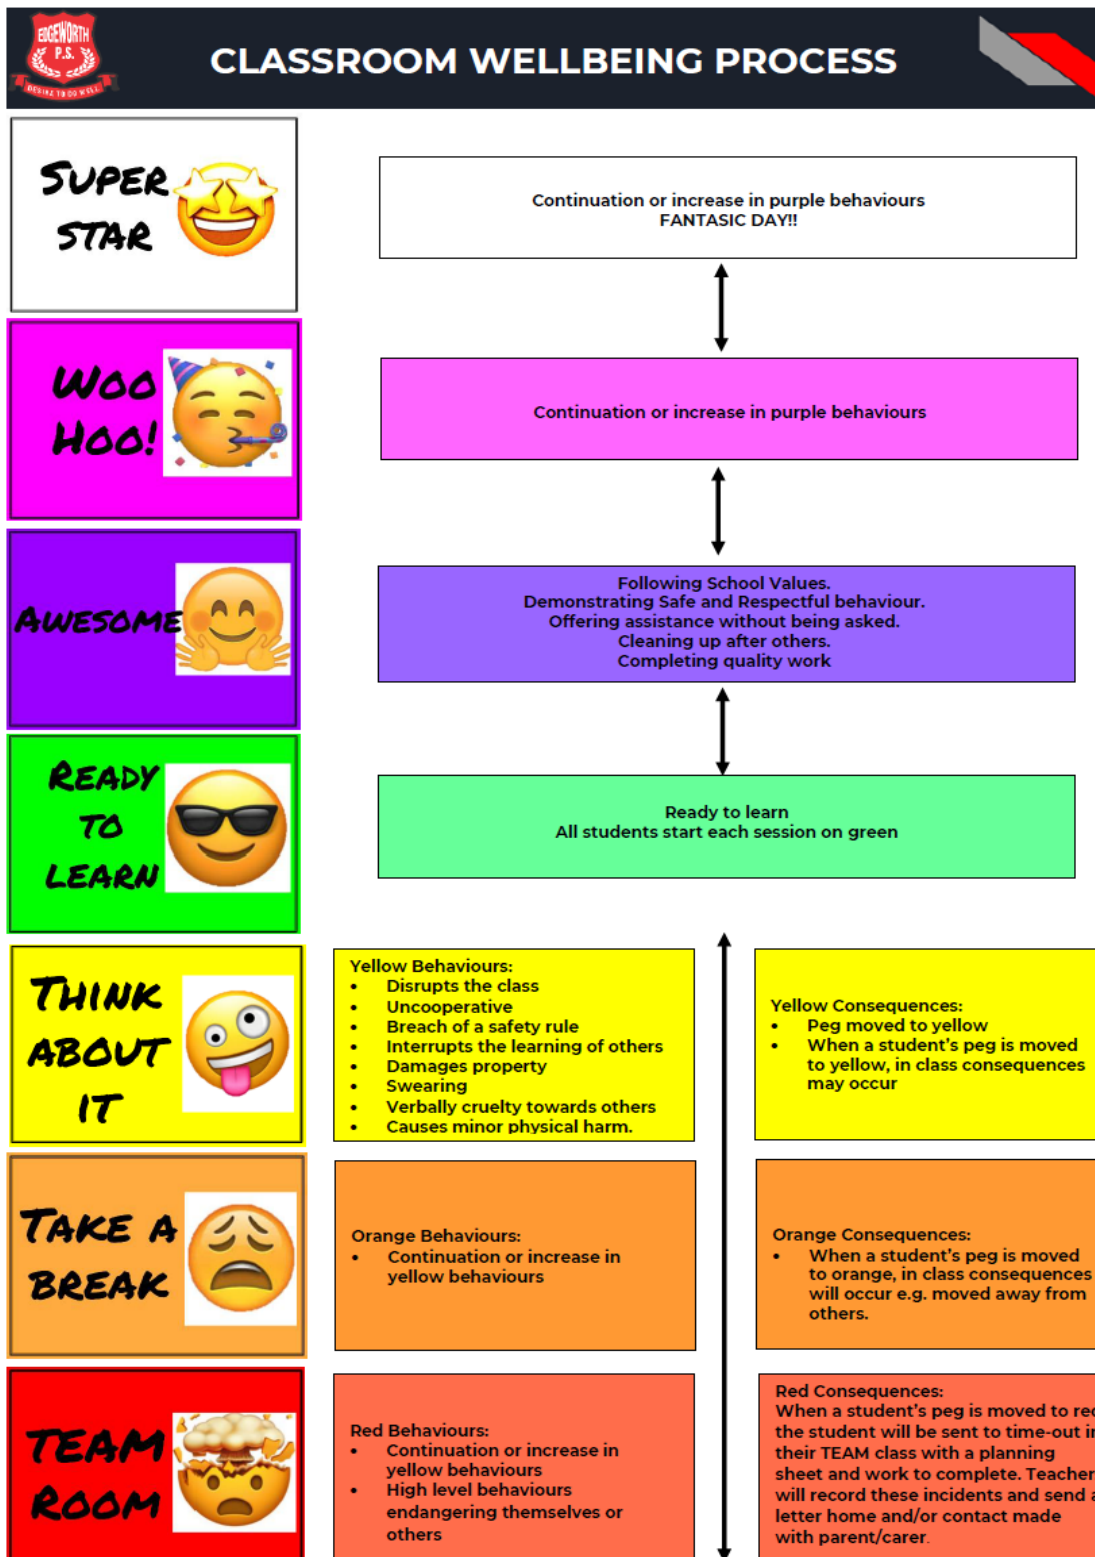

Students are encouraged to borrow books during their fortnightly library lessons to foster a love of reading. They will be encouraged to participate in the Premiers Reading Challenge again this year, as this will form an integral part of their homework schedule. Additionally, students can access the Council Library outside of school hours.

## EXCURSIONS AND SPECIAL ACTIVITIES

Educational activities are an important part of the school program and are selected to broaden students' understanding of classroom studies. Throughout the year, students will have opportunities to attend excursions and events linked to their educational needs. More information will come during the year.

Payments can be made online, using the POP system (minimum \$10), which you can access through the school website.

## SPOTLIGHT GOALS

**SPOTLIGHTS** are awarded to students for many reasons which may include: demonstrating school values, quality work, positive relationships, responsible behaviour, helping others, growth in learning etc

### BRONZE AWARD

3 Spotlights in a year

### SILVER AWARD

6 Spotlights in a year

=

Star Badge

(Each Grade has a specified colour)

### GOLD AWARD

9 Spotlights in a year

=

Lunch with the Principal

Students will only receive Bronze, Silver or Gold Award after they bring in the correct amount of Spotlights and have them sighted and signed by their teacher.
