PRINCIPAL'S MESSAGE

Welcome everyone to Term 2 and what we hope is to be a great term with plenty of opportunities for our students to showcase their talents and succeed. We continue to have new students start this term; a special welcome to you all.

***Imagine** with all your mind, **Believe** with all your heart, **Achieve** with all your might.*

ANZAC Ceremony - Thank you

Many thanks to Mr Gray, parents and school leaders that represented our school with pride and distinction. A special thanks to Cardiff RSL in supporting us on the day.

Cooler Classrooms Project and updates to K and L Block

Last term the school was actively involved in 2 projects to improve the learning environments around our school. The Cooler Classrooms project has seen most rooms updated with top of the range split systems and sensors that enhance our classroom environments. This project has also seen the school receive an updated solar system to support our sustainable energy usage.

4W, 4M, 2/3T and 3I (K & L block) have seen a major transformation in their rooms with a new upgrade to their back walls. This allows for the classes to utilise this space more practically and freshen up the spaces for students.

Mothers DAY

We are inviting **ALL our Mothers, Aunts, Grandmothers, Nans and the special women** in our students lives to come and join us for a Mothers Day Breakfast **from 8 am** on Friday May 10 (NEXT Friday).

Our P&C will be hosting our Mothers, Aunts, Grandmothers, Nans and the special women STALL on Thursday.

Around Our School - CONNECT - SUCCEED - THRIVE.

We believe in creating opportunities for students to have a strong sense of belonging to our school setting.

This term we already feel like we have hit the ground running. We have had a lot students put themselves forward for sporting teams, dance troops, Snr & Jnr choirs, leadership roles in the classrooms and peer mentoring - just to suggest a few. These opportunities will continue to be offered and supported - we ask students to 'have a go at things'.

With this in mind we like to remind everyone that we have made a stand against those that put others down or treat others with disrespect - those involved will **NOT** represent our school and need to be called out for their behaviour - we do not tolerate any such behaviour. Please continue to openly communicate with us so that we can continue to nurture our students so that they can thrive.

Motiv8sports -Coming TERM 3

Our school is excited to announce that in Term 3 we will have Motiv8sports deliver some after school programs at the school.

More information will be coming home in the coming weeks.

NEW Classroom Update

Our school has now reached the point where an extra classroom is allocated. This will allow the school to form a 25th class. For our school we are endeavouring to minimise the disruption for our community. NO CHANGES will occur to classrooms for Term 2. This will allow our new room to be completed fully and support any additional transitions that are required. The school has made the commitment to Kindergarten and Year 6 that these classrooms will not be affected. Please understand we have the best interest of all students throughout this process - We will keep our community updated throughout this process.

Student Belongings - PLEASE discuss with your CHILD

We understand the expenses families incur every year to purchase uniforms, lunch boxes, drinks bottles, hats etc. We'd like to remind students to be responsible for their belongings and the importance of labelling. Our lost property can be found in the office.

Please follow us on **Class Dojo and Facebook** to see what is going on.

All classes are asked to contribute from Pre-school to Year 6 across these platforms

Car access and parking entries to the school should also not be used for foot traffic. Please encourage children to use the foot paths at Gates 1, 3, 5 and 6.

The P&C is a small group of staff and parents that meet twice a term with the aim of bringing the school and the community into close cooperation and provides the opportunity to contribute to decisions about our school. We welcome new parents, grandparents or community members to join our great team. It's a great way to:

- Meet new people ; Help as little or as much as you can; It's ok to not agree! We need different opinions and ideas; Raise funds to finance improvements to our school and provide additional resources. Fundraised Projects include: Sports Fields, Interactive displays, class air conditioning, infants shade sail, library furniture, library books, home readers, end of year awards and many more.
- Cooperatively organise: Discos, Fete, Mothers & Fathers day stalls, pie drives, musical BBQs, end of year artwork calendars, Carols nights.
